Senior Trip

Sure beats the heck out of school buses!

Astro World will never be the same!

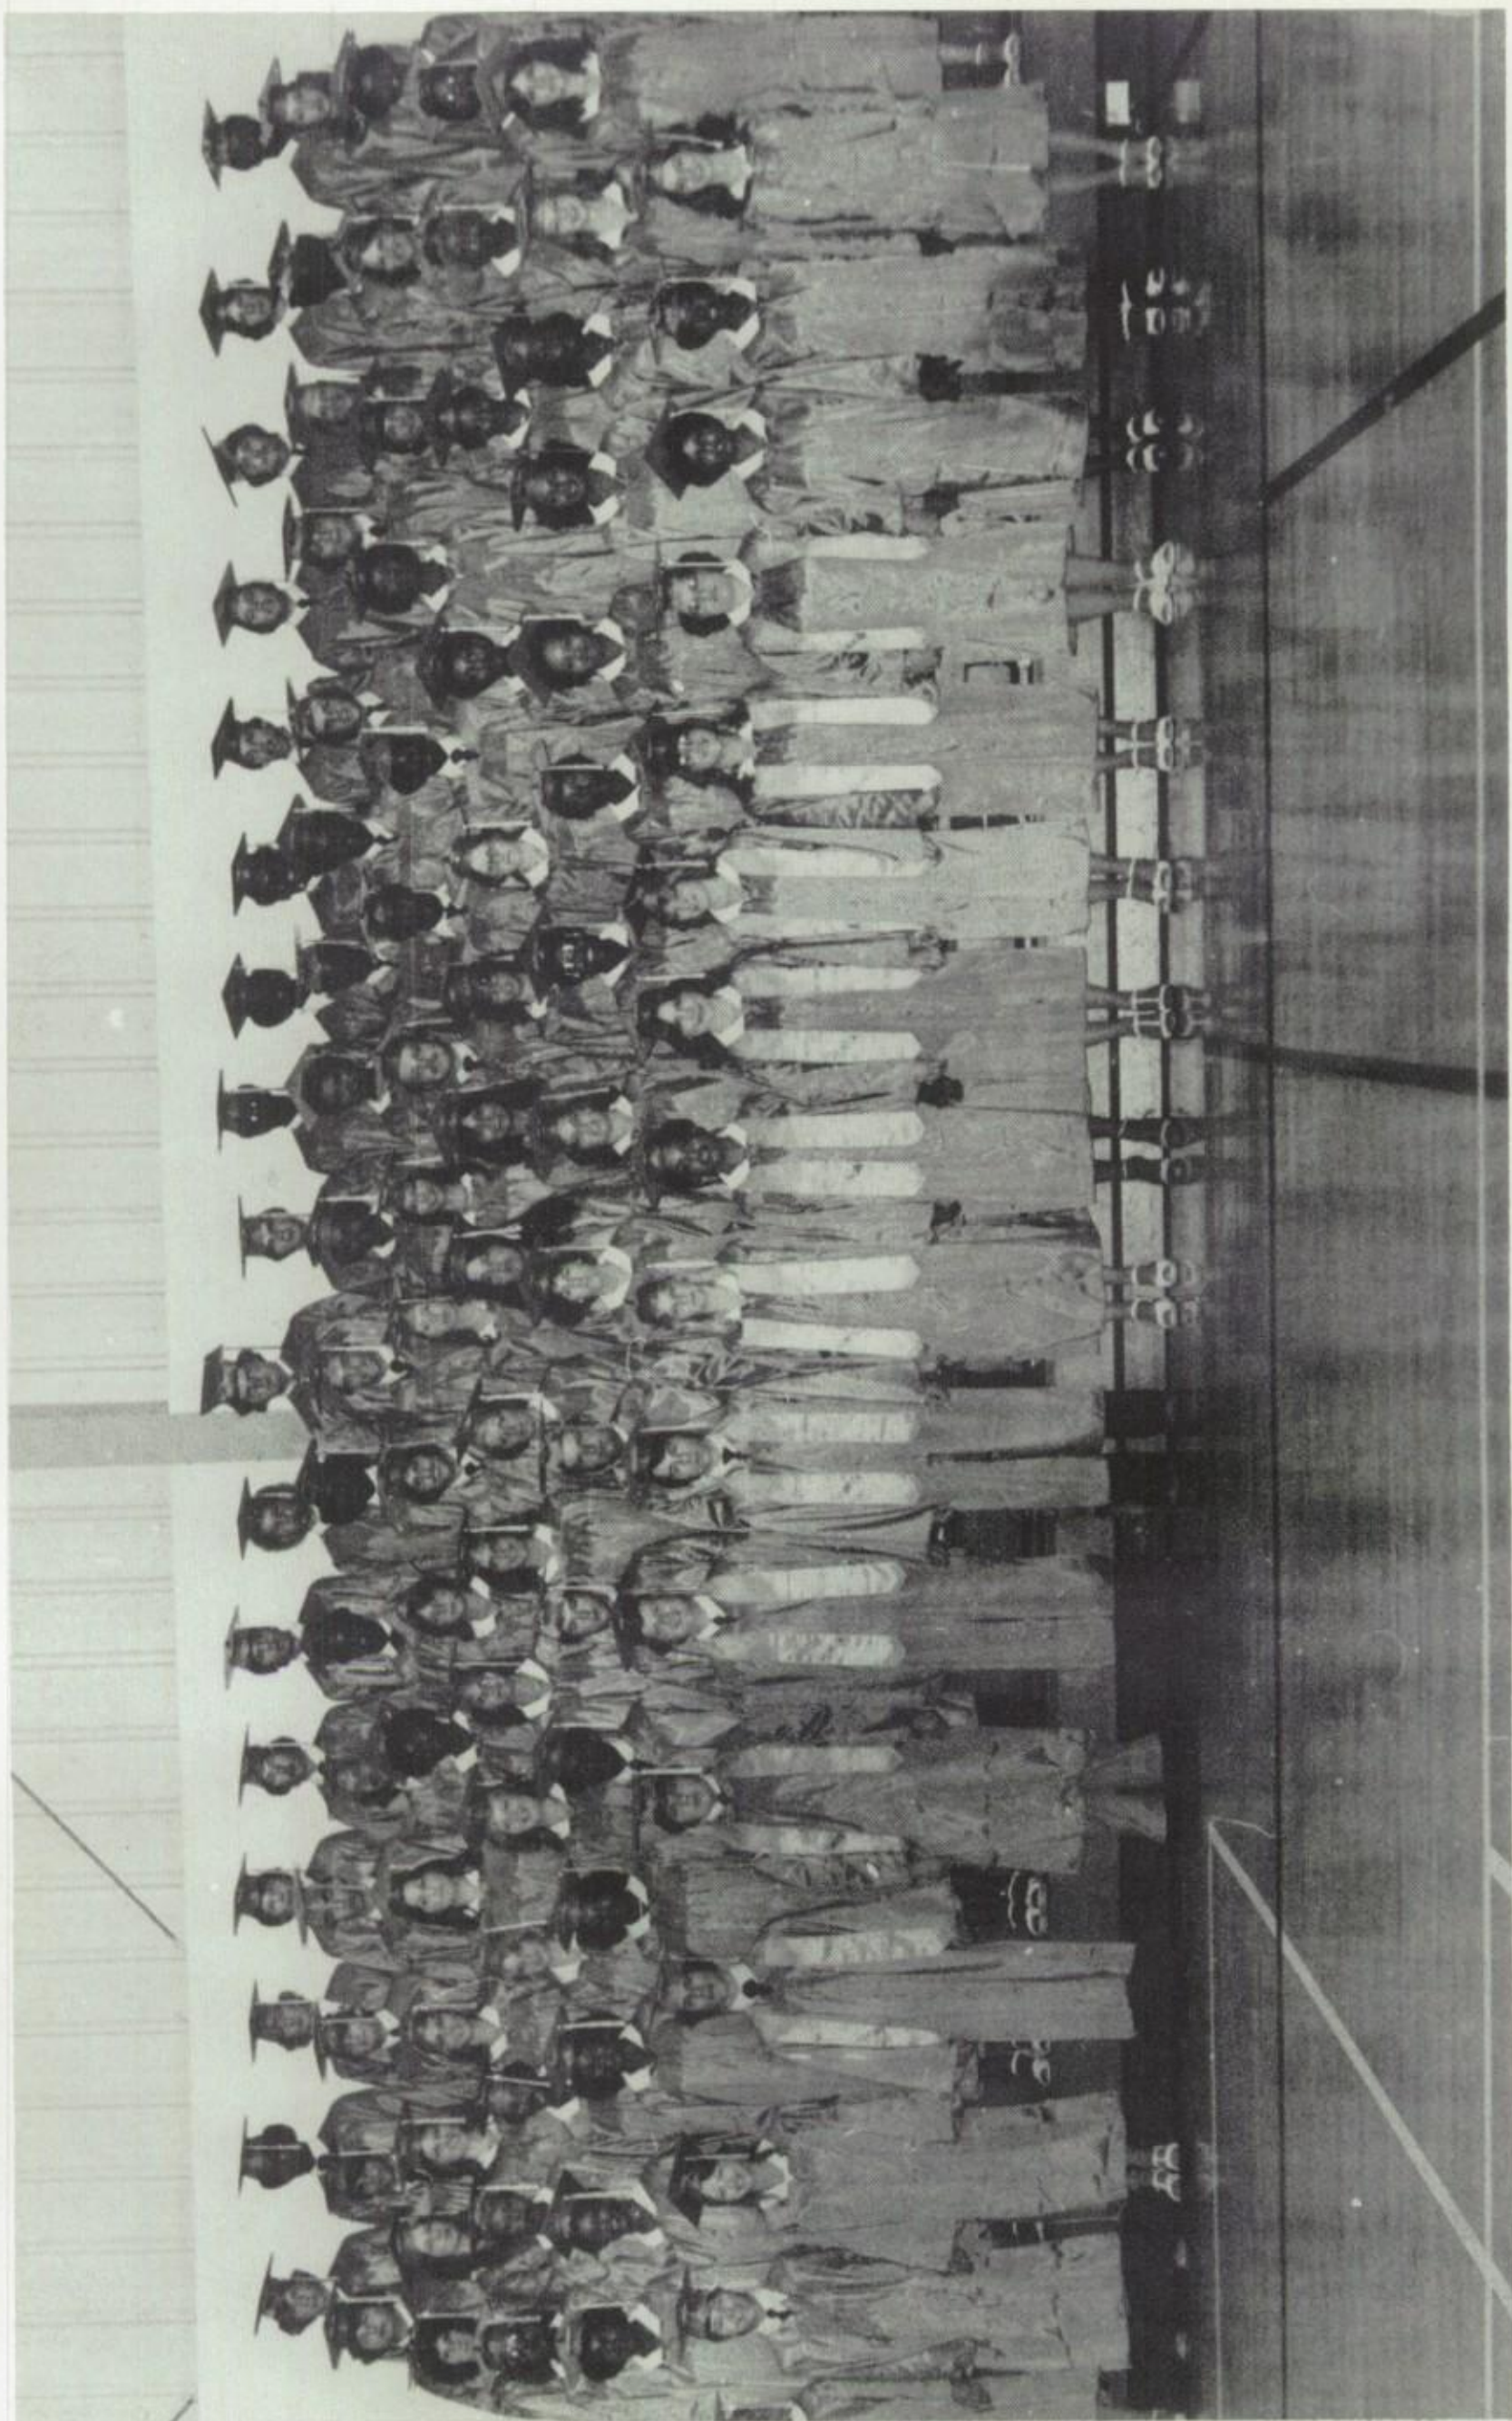

It took twelve years for this night to finally arrive. Years filled both with work and frustration, success and setbacks, smiles and tears. Now with confident stride they receive their diplomas and start looking toward tomorrow. As they say goodbye to this special night, as it becomes a sweet memory, the 103 graduating seniors of 1980 know that it is just the beginning of a life long journey of education and experience. They will see the sun rise in the morning and prepare for the next step, remembering as they do that every end is a beginning.

Rah, Rah, Rah!

The Cheerleaders for the 1979-1980 school year were Stephanie Kellum, Kristi Collins, Stephanie Price, Lisa Jones, Bambi Medley, Gail Abraham, Dawn Fowler, and Donna Crombie. Donna was the school's Mascot during each football game.

The Newton Eagles' football team finished with a four win-six loss record. It was not one of their finest seasons, but despite their record, the Eagles never gave up fighting. Because of that fact, they are still able to walk proud, maintain PURPLE PRIDE, and look to a successful season next year.

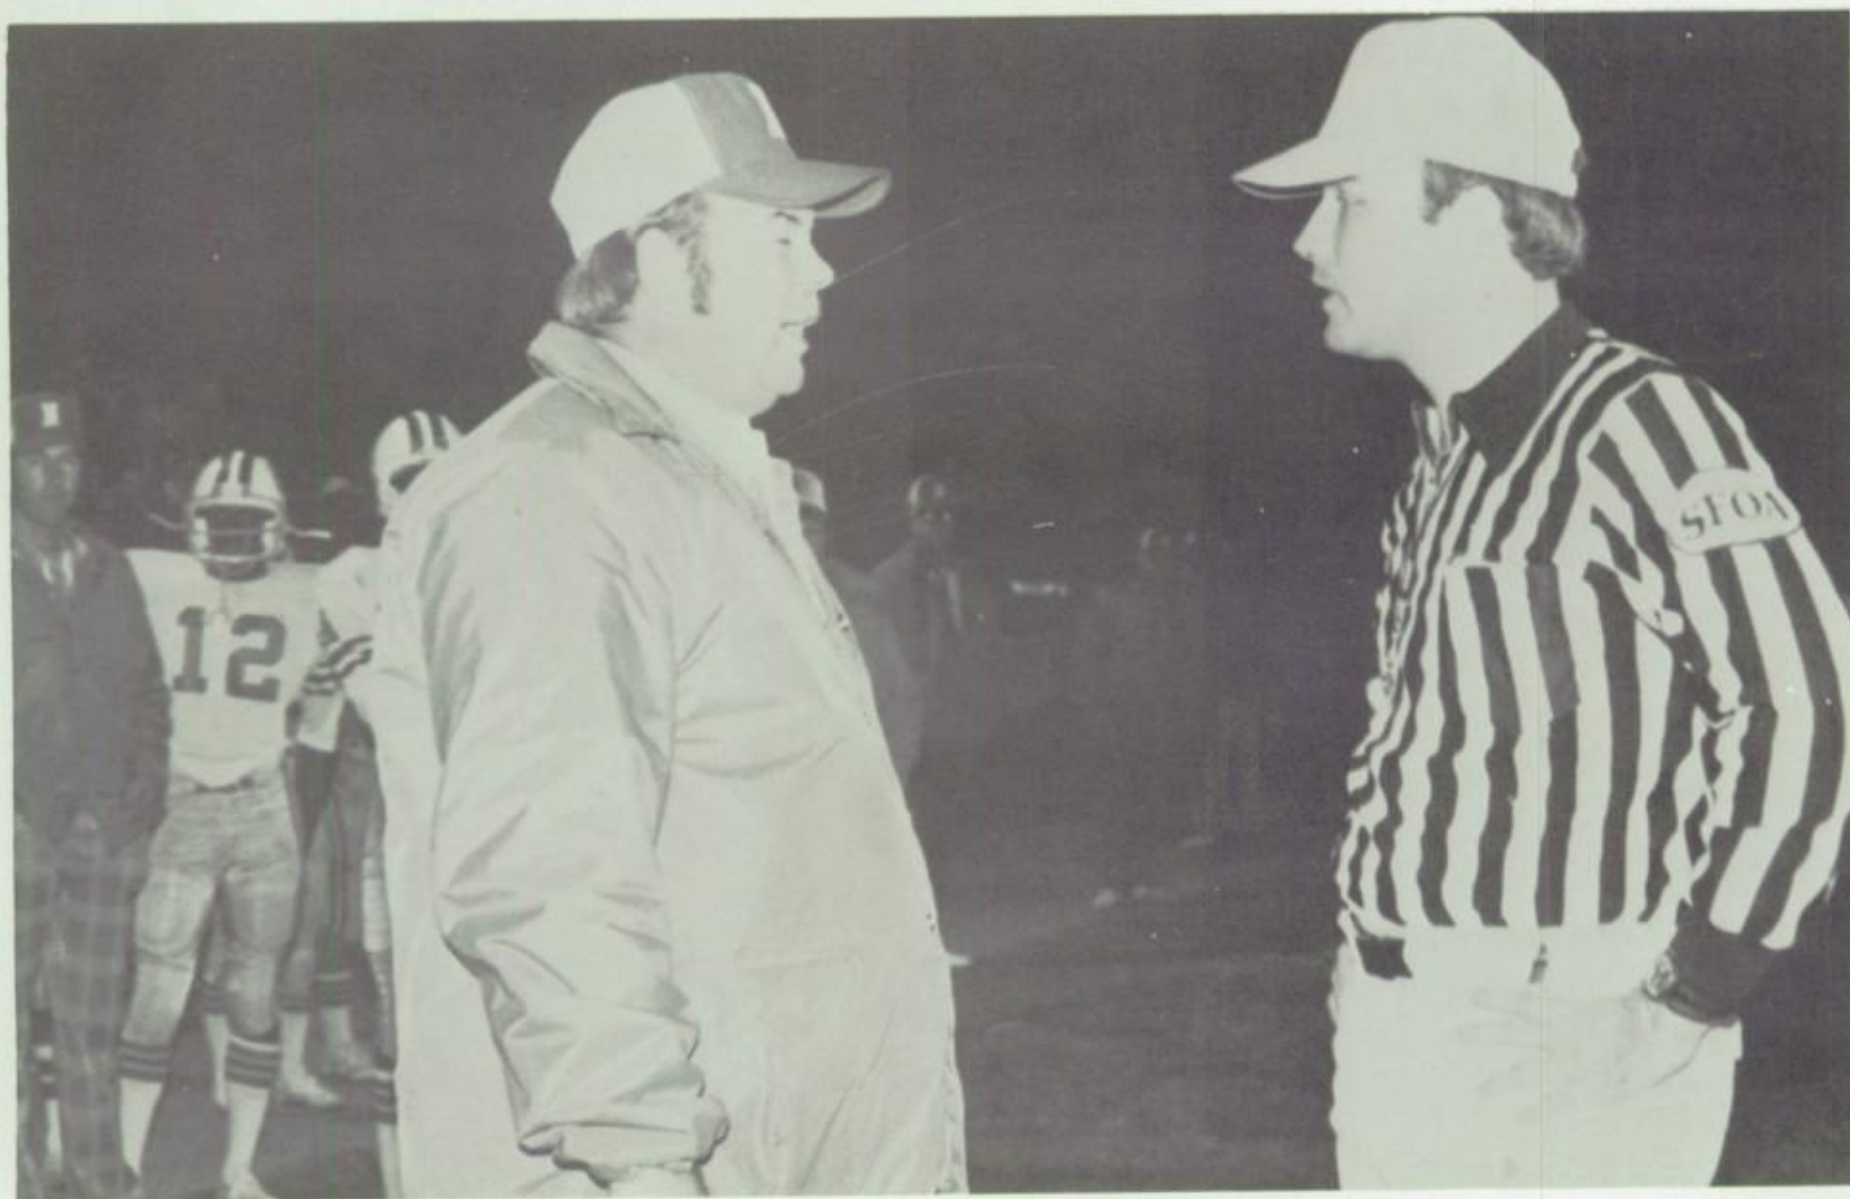

The Eagles scored 208 points for the year while their opponents only scored 150. The highlight of the season was extinguishing the Shelbyville Dragons by a score of 49-6. The upset of the year was the stunning loss on Homecoming to Woodville Eagles. The Eagles were also disappointed in their season because of the end of a District Championship tradition. The EAGLES are setting a goal for a winning season next year!

Lady Eagles Take Second in District Tourney

The 1979-80 Volleyball season at NHS proved successful, yet disappointing. They remained #2 in district, trailing slightly behind last year's champs, Warren.

Their participation in the Bishop Byrne Tournament left them in second place, losing only to the State Champions, Kountze.

A change in districts and the loss of four Seniors will be a challenge the 1980-81 team will surely anticipate.

The Newton Eagles' Basketball team fell on hard times this season. Even though they finished with one of their worst records ever, their performances were quite acceptable. All except for one member will have the opportunity to return for a prosperous season next year.

During the 1979-80 season, the Lady Eagles brought excitement and attention to NHS. They began by taking a 2nd place trophy in the Merryville, La. Tourney, and later winning 3rd in the Colmesneil Tourney. The ladies were also ranked #7 in state.

The end of the season brought many rewards to the Eagles as a team. After going the first round in district play undefeated, they won the right to play the second round champs and rivals, Kirbyville. The ladies indulged in a close game, but finally came out victorious. Disappointment came only after losing to Kountze in bi-district; however, the loss of one senior leaves high hopes for another crown in a new district.

Tracksters Take District; Jackson Competes at State

The N.H.S. Girls' Track team closed out the '80 season with their 3rd consecutive District Championship.

Even though the girls have a young team, with only one senior, they finished first in four meets and second in the other two.

The District meet was completely dominated by the Lady Eagle Tracksters. They won with 194 points with Woodville, the closest opponent, with 145. They qualified 9 people to regional in 13 different events. Sadie Jackson was lone representative at State in the 880.

Eagles Win First in Hudson Tourney; Take Second in District

The Newton Eagle baseball team began the 1980 season by taking first in the Hudson tournament. This was the first time ever for a N.H.S. baseball team to take a first.

The Eagles took second in District, losing the title to Woodville by a score of 5-4. They were undefeated

on the road. This was also their first time to defeat Jasper during Coach Carter's career as head baseball coach.

The Eagles ended the season with a record of 7-2-1, one of their best. Although they are losing five seniors, they should be strong again next year.

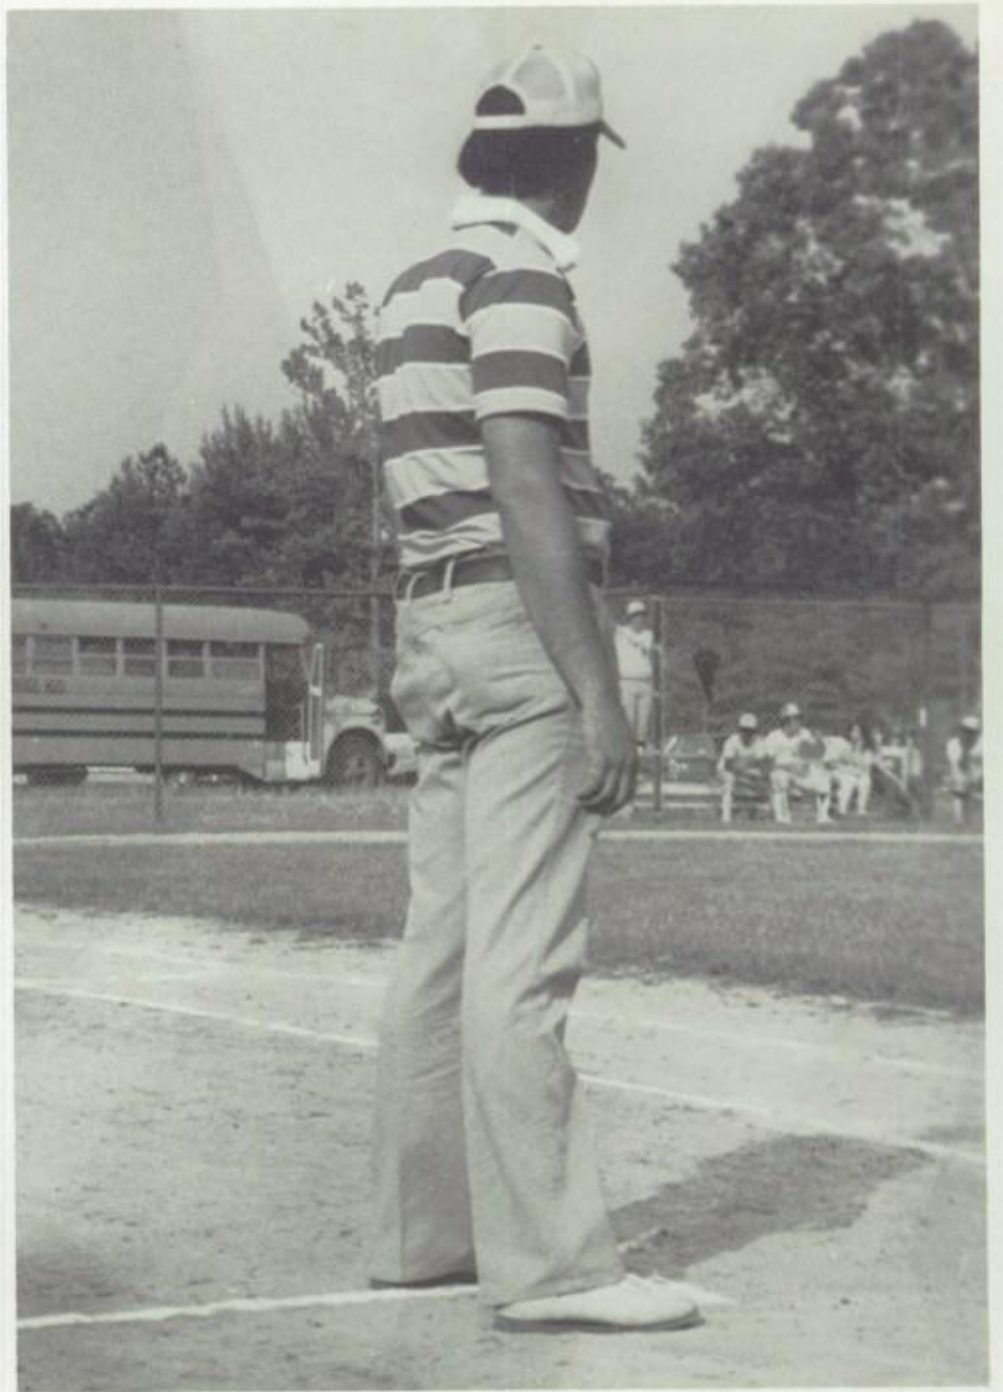

Back row: Coach W. Carter, R. Hughes, P. Walker, W. L. Ener, J. Metz, K. Langford, B. Staley, R. Davis, R. Herman, K. Duhon.

A "Favorite" of Everyone?

This year Newton High School was visited by a very special dog and his owner. The dog, whose name is "Prince", is a drug dog and is owned by Floyd Coleman, a Liberty County Sheriff's Deputy. The pair spent the early part of the morning in an assembly to demonstrate the real talent of this dog.

After checking student lockers and cars, the drug dog came up empty handed. Mr. Coleman was heard telling Mr. Williamson, the principal, that this was a "very clean" student body.

Dedication and Memoriam

The Annual Staff of Newton High School, representing the faculty and student body, wishes to pay tribute to an outstanding man. This yearbook is dedicated to and in memory of Mr. Tom Powell, our annual staff director.

We know, as perhaps no one else knows, that there was never a kinder nor a more understanding person than Mr. Powell. He cared ———

He was a man of unprecedented taste — a man who dared to be original. He will be missed!
